**News around The  
Highlands**

As Mentioned in the last newsletter Bill Ward and Helen Bressler have decided to step down since being editors since June of 2017. They will help me do October and November's newsletters as sometimes my LibreOffice has a mind of its own and I will need their help. I am excited to undertake this responsibility. A big thanks to them both for their years of dedication providing the Highlands with the monthly newsletter.

Both my husband Bert and I are loving it here in the Highlands and wish to be involved and get to know everyone. We moved to the Highlands in January, the picture is of us at Haystack rock on Cannon Beach when we celebrated our 50<sup>th</sup> wedding anniversary May 9, 2025.

**HOA News**

Raymond from Preference Pools addressed the attendees as to pool testing discrepancies. There are "YouTube" videos available by Taylor test kit. Raymond is happy to work with individuals at the Highlands to make sure the testing is being done properly. There is a new cover on the Hot Tub and a new one will be ordered for the big pool. Both items were covered in the Budget. You can put the entry gate phone number of 541-679-9514 in your phone so you will know when your friends and family etc, are at

the closed gate and you can let them in (once we get it fixed). Reserve Committee- will most likely meet in February of 2026.
